Helpful Tools at Your Fingertips

The Hartford's 1Source BondKit includes these exciting features:

- **Your Bond Team** – A direct link to the Hartford Bond commercial surety or fidelity underwriter assigned to your area.
- **Target Bonds & Underwriting Requirement Grid** – Access applications, bond forms and check underwriting requirements for target classes of commercial surety bonds in your state.
- **A Guide to Bonds** – Located in the commercial surety section, this guide explains most bond categories, types, class codes, requirements and tools. This information-rich resource is particularly useful for new bond producers. The fidelity section guide explains our policy features, optional coverages and enhancements.

- **Business Opportunities** – Explore the other types of commercial surety bonds your customers might need based on industry segments. Actual and current fidelity loss examples help to illustrate the risks when re-evaluating your existing book for adequate crime coverage.
- **FAQs** – In the commercial surety section, you'll find answers to most frequently asked questions about executing a bond from the kit, submitting a bond request, completing the paperwork and billing inquiries.
- **Glossary** – A reference of frequently used commercial surety and fidelity terms with definitions.
- **Forms & Applications** – Learn what is needed to complete a bond form. Locate All-Purpose or customized commercial surety applications with instructions and samples. Fidelity sample applications are also available along with supplemental questionnaires for higher risk Fidelity classes.
- **Marketing Material** – To help in your sales efforts, this section has a link to all Hartford Bond flyers that you can download, print or order from your Bond Team.
